# Forte

Artifort®

At Artifort the notions of design, quality, craftsmanship and sustainability go hand-in-hand. Our goal is to create furniture that will last generations, respecting both the life of the materials and the energy that went into creating them, the designer's intention and vision, and the years of experience in the hands of the people who make each piece. To achieve this and create furniture with soul that can withstand the vagaries of fashion and complement the human form is no simple task. Yet, we have risen to this challenge, combining elegance with practicality and longevity, for more than a century.

Artifort®

# FORTE

# COLLECTION

STUDIO STEFAN SCHOLTEN  
DESIGN 2024

Forte is an elegant and luxurious high-end sofa programme with a supremely comfortable deep seat, soft, rounded corners and an inviting design. The expressive, minimalist cast aluminium legs are a defining feature, lifting the frame while supporting the soft back cushions.

Forte 375

Forte 300

STUDIO STEFAN SCHOLTEN

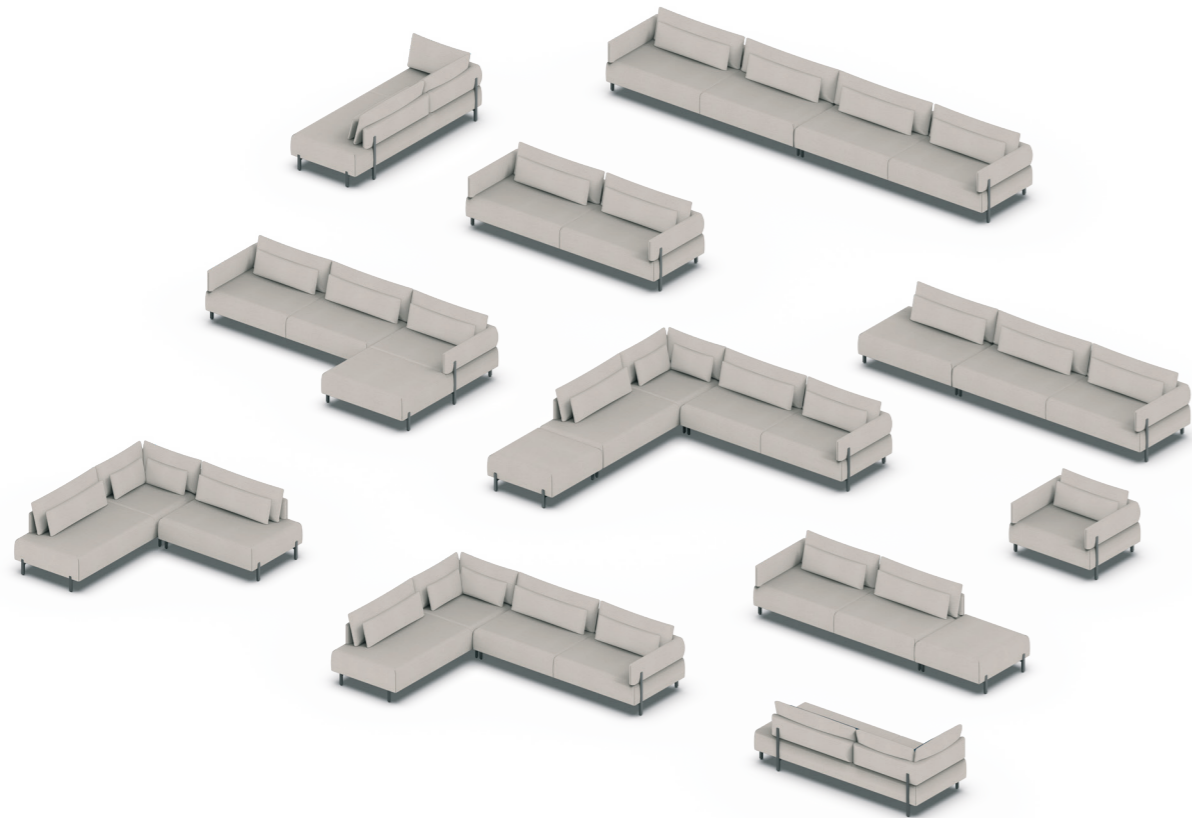

# THE DESIGN

'When designing Forte, my aim was to create a design that embodies luxury, elegance and comfort. A refined design, yet with expressive design characteristics.

Artifort represents sustainable design, crafted with high-quality materials and enriched with refined details that are not only visually striking, but also tangible. The comfortable Forte lounge sofa programme perfectly reflects this design philosophy. Its inviting, rounded shapes are a testament to Artifort's deep-rooted experience in upholstery. Forte is a true masterpiece of craftsmanship, with its meticulous and unique stitching details capturing the heart of every lover of design.

Forte is produced with only the highest-quality materials, starting with a robust metal frame and a high-end spring system to guarantee long-lasting comfort. The seat is embraced by a minimalistic backrest that lends the sofa its high-end appearance. The individual rectangular loose back and accent cushions are an invitation to get comfortable, with all cushions featuring premium comfort foam and unique premium designer textiles.

From a technical sustainability perspective, Artifort's development team has ensured that all premium materials can be separated and recycled after long-term use. No parts are glued together. The components are designed in such a way that they can be easily repaired or replaced in case of damage. With Artifort's reupholstery service, a Forte can become an endlessly lasting design, making it fully sustainable.'

‘An elegant and luxurious high-end sofa programme with a supremely comfortable deep seat, soft rounded corners and an inviting design.’

Forte 367

## FORTE TABLE

The curved finishes of the distinctively minimalistic aluminium legs inspired the designer to create a series of luxurious matching coffee tables. Forte Table is a low coffee table that blends perfectly into a lounge interior. The tabletop is crafted from beautiful Italian marble, available in 'Grigio' or 'Crema Luna' or from high-quality solid oak wood.

16

17

By customizing the number of seats, seat height, upholstery and choosing a coloured base, Forte effortlessly adjust to suit your personal style.

**COLLECTION**

The Forte collection is an extensive sofa programme, featuring straight sofas (from 3-seaters to 8-seaters), freestanding chaise longues and dormeuses, a loveseat, a matching footstool and numerous configurations in various sizes.

**SEAT HEIGHT**

Standard 43 cm. Optional seat height of 45 cm if preferred.

**FINISHES BASE**

Standard coating is available in one of the Artifort powder coat colours. Choose from fifty colours, in both matte and glossy finishes. The legs come with floor gliders with felt as standard.

**UPHOLSTERY**

Forte is available in a wide selection of high-quality fabrics and leather upholstery, with a broad range of colour options.

**BACK CUSHIONS**

Forte features firm back cushions accompanied by matching decorative cushions. These are integral to the Forte design and are upholstered in the same fabric as the sofa. All cushions are crafted from fire-retardant materials.

**FORTE TABLE**

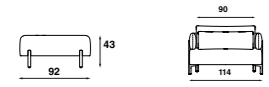

The tabletop of Forte Table is crafted from beautiful Italian marble, available in 'Grigio' and 'Crema Luna' or high-quality solid oak wood (finished in an Artifort oak oil colour). The Forte Table collection comes in two sizes: round with a diameter of 110 cm or rectangle measuring 175 x 75 cm. De legs are standard finished in powder coat.

## FORTE COLLECTION

Discover the Forte lounge sofa programme.

In addition to various sofa configurations, the program offers customization options to fully personalize your Forte. All options can be found on page sixteen.

UPHOLSTERY AND COATINGS

Overview

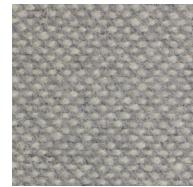

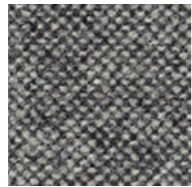

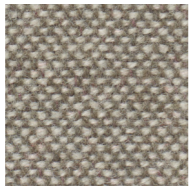

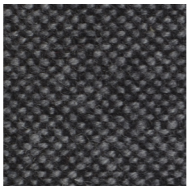

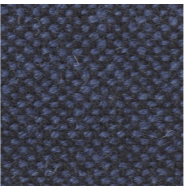

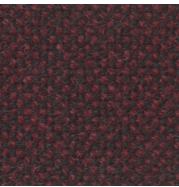

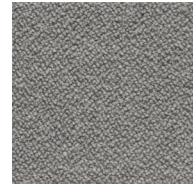

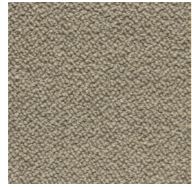

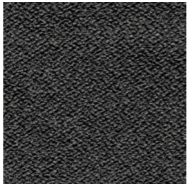

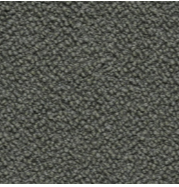

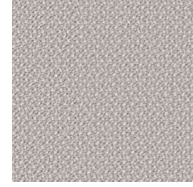

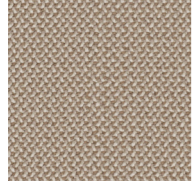

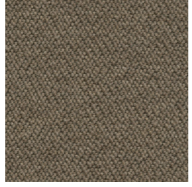

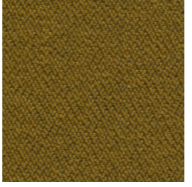

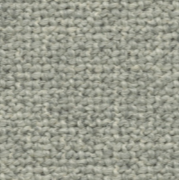

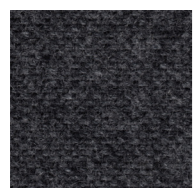

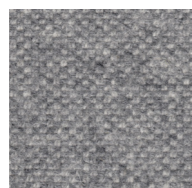

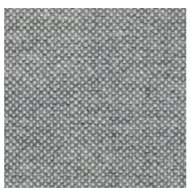

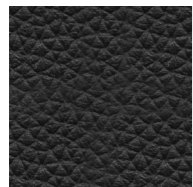

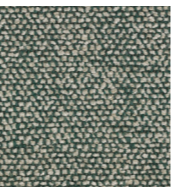

Each Forte is available in over sixty high-quality fabrics and leathers with highly durable properties. Artifort collaborates with the most renowned fabric suppliers. Depending on the chosen upholstery, some degree of creasing may occur with use.

This is unavoidable and adds character to the sofa. Check the colour samples with your Artifort advisor or visit [www.artifort.com](http://www.artifort.com) to explore all options.

Combine the upholstery with an Artifort powder coat colour for the aluminium legs. All Artifort furniture is produced intirely in-house, using environmentally friendly methods. During the powder coating process, a colour fast coating is applied to the base.

The environmentally conscious powder coating method is more sustainable than traditional steel chroming and gives the sofa a modern look. See all colour samples at your Artifort sales point. The base of Forte Table is finished in powder coat as well.
