Collection

Artifort®

At Artifort, we believe that our rich history, our passion for design, craftsmanship and curiosity for innovative production methods are the basis for creating timeless design. Design that transcends time and trends. And in many cases can be passed down from generation to generation.

Everyone who values form and function will find an Artifort design that captures their heart. Forever.

Mare FC 307

RENÉ HOLTEN
DESIGN 2003

With its clean lines and subtle details, the Mare sofa programme is timeless. Typical of René Holten's design is the slit in the centre of the seat and the slender base, which runs from back to front. This gives the sofa a spacious and elegant appearance, particularly in an open space.

RENÉ HOLTEN

THE DESIGN

‘For me, a sofa is a reflection of the residents and users of an interior. The size of the sofa alone makes its shape, material and colour a defining factor in a space.

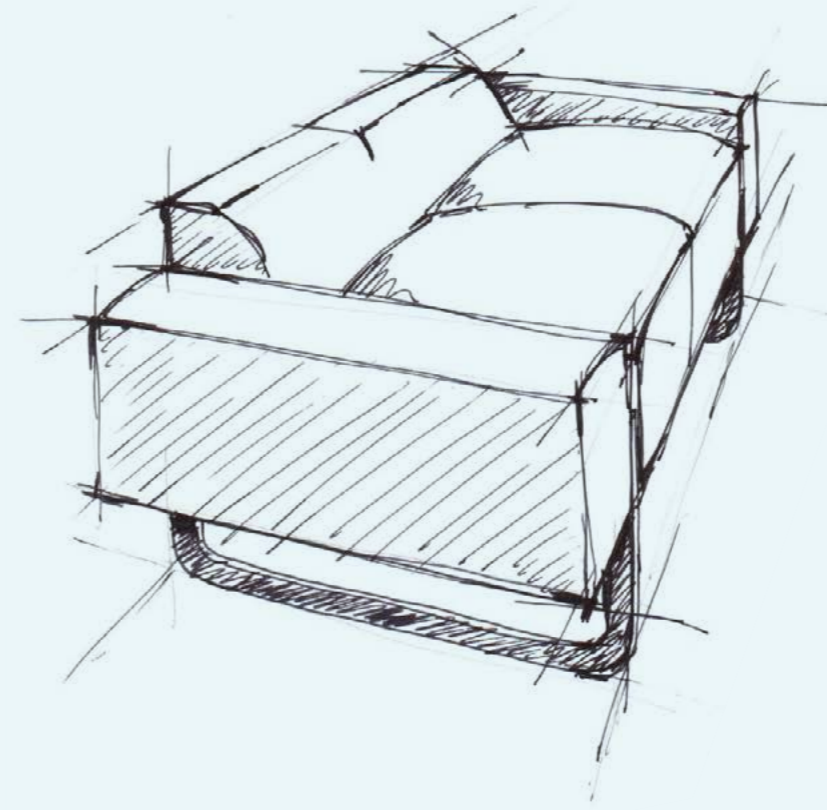

The Mare sofa was conceived with this in mind and has been expanded with the addition of new elements over the years.

The Mare adapts to the needs at hand with a timeless design that offers a functional blend of warm and soft, striking, comfortable, luxurious, durable, modern and personal.

Thanks to its wide range of versatile elements, the Mare has been a much loved sofa for over twenty years. Opt for a compact, straight sofa or a large lounge ensemble ideally suited to both modern and classic interiors. However, the underlying goal of each Mare remains the same: to provide the ultimate in comfort.’

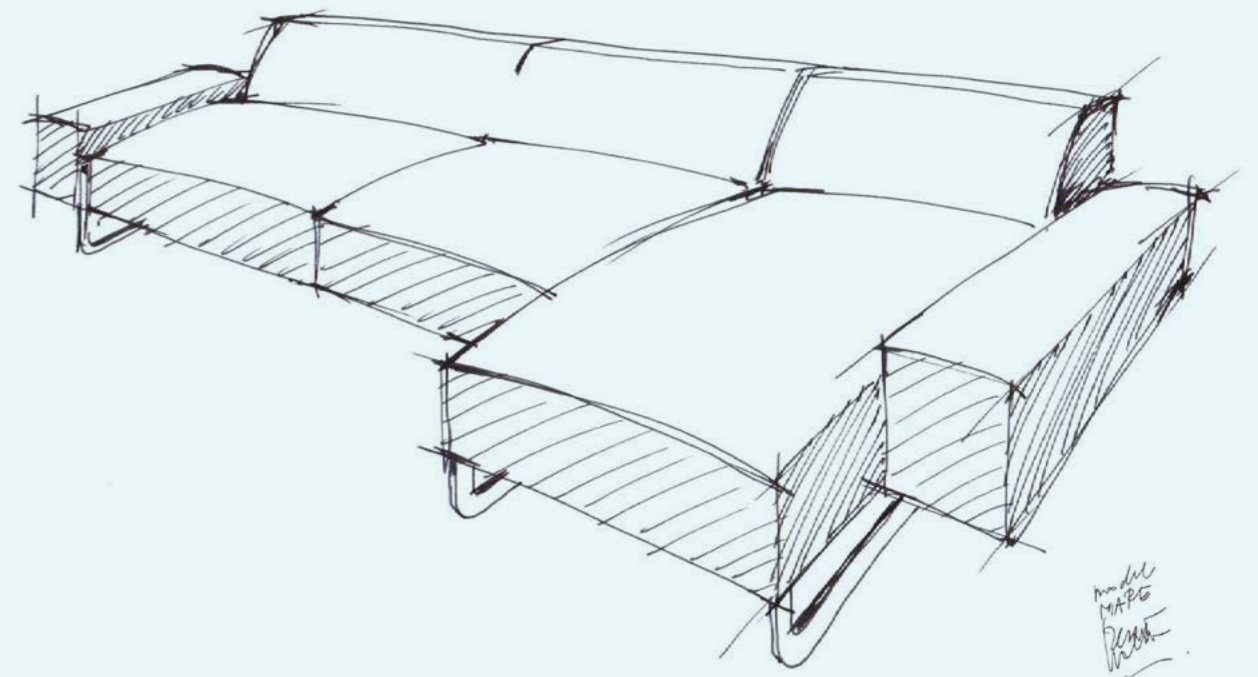

10

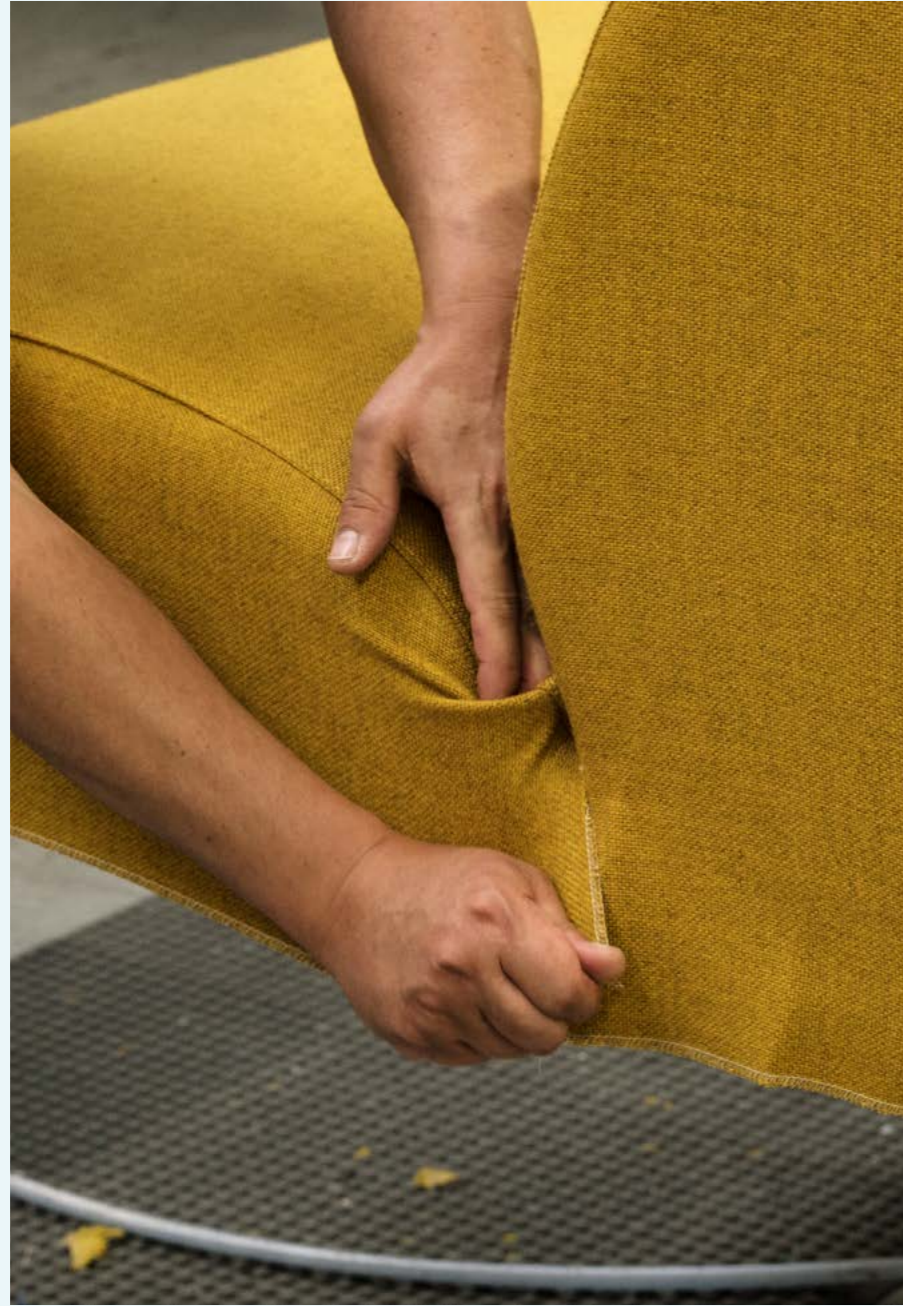

Dutch designer René Holten (1961) founded his own design studio in 1997 and has worked with Artifort since 1993. Since then he has made an essential contribution to the ever-growing Artifort collection, with award-winning designs such as the DoDo, Libel and Low Lotus armchairs. The long-standing collaboration between René Holten and

Artifort has resulted in a wealth of designs that can be considered modern classics. Working from his studio in Maastricht and driven by a fiery passion for design, the designer sculpts powerful creations that always seem to fit their time, place and purpose.

11

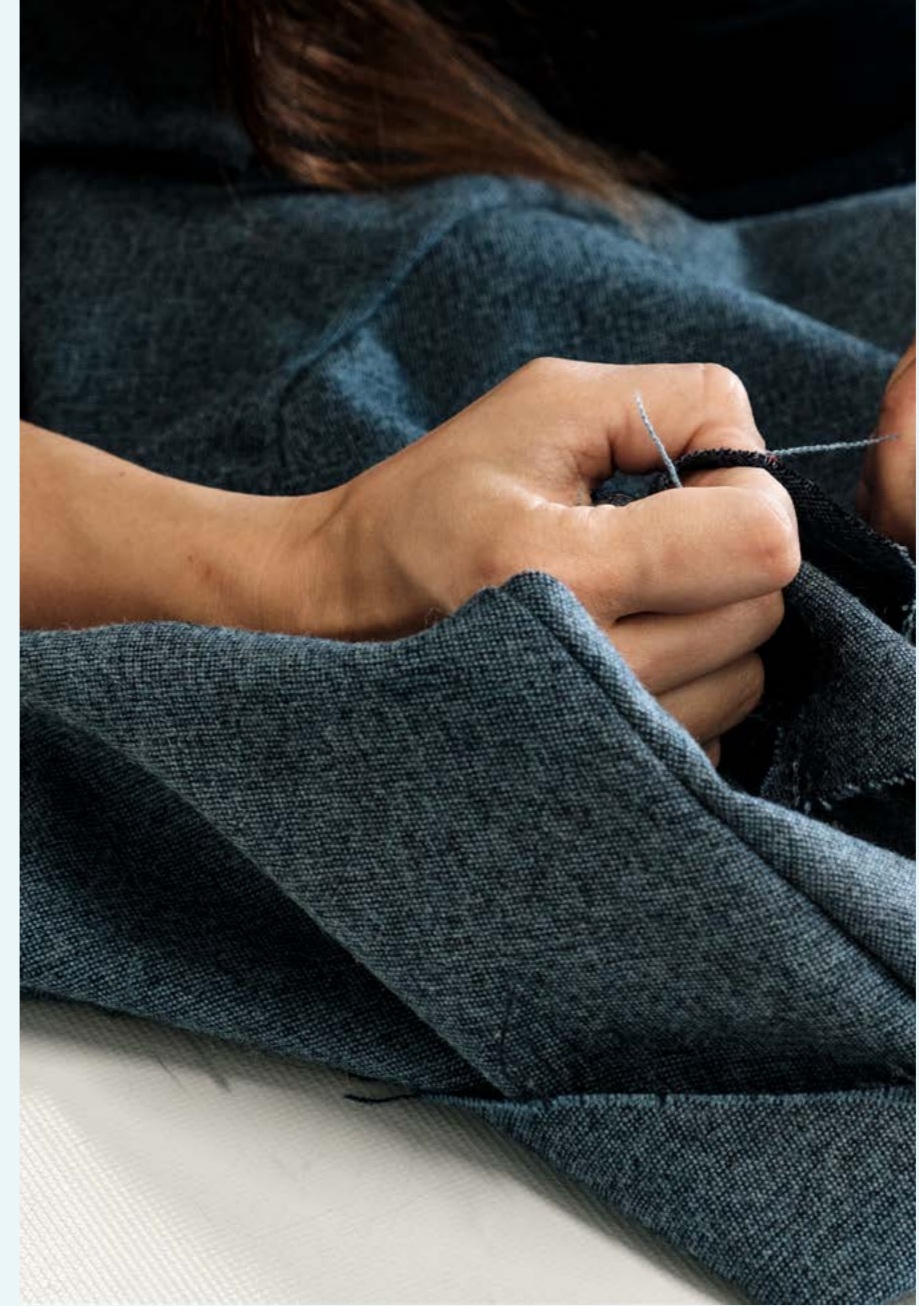

FOCUS ON HIGH-QUALITY AND SUSTAINABILITY

The harmony of form and function makes the Mare sofa not only a visual statement, but also a durable, timeless and comfortable piece of furniture that lasts for generations.

Artifort produces very consciously. Each Mare is locally manufactured in our own production locations in the Netherlands,

Turkey and Belgium and is made entirely from high-quality materials that last a long time. This includes a strong inner frame with Nosag springs, high-quality foam, a powder coated metal sled base, and a choice from a wide range of design upholstery known for their exceptional durability.

GENERATIONS OF COMFORT

Artifort aims to make consumers aware of a sustainable purchase that can be enjoyed for many years. With the introduction of the full-service department Artifort Shop, the lifespan of a Mare can be extended by having the sofa reupholstered. Even if the sofa is already decades old and has been seen extensive use. During the reupholstering process,

Artifort's skilled craftsmen carefully inspect the sofa for any damage. The seat foam is supplemented or replaced with high-quality foam. Finally, the furniture is reupholstered with a quality fabric or leather of your choice. Your unique Artifort will feel as good as new again.

CONFIGURATION

Mare sofa

Choose the perfect Mare sofa that suits your needs. There are two Mare sofa programs: Mare with fixed back cushions or Mare with loose back cushions.

‘The wide range of available finishes are artisanal touches that showcase the craftsmanship inherent in the Mare collection’. René Holten

Each program can be customized in shape, size, and offers personalization options.

COLLECTION

Choose from straight sofas, a loveseat, an armchair, a standalone chaise longue or dormeuse, as well as a wide range of common corner and lounge configurations in various sizes. Optional matching footstools or matching Mare coffee tables are available.

SEAT HEIGHT

Standard 43 cm. Optionally available with a seat height of 45 cm.

ARMREST

Standard width 12 cm. Optionally available with an arm width of 21 cm.

SLED BASE

Comes with standard coating in one of Artifort's powder coat colours. Optionally available in polished stainless steel. The base comes standard with felt floor caps.

BACK CUSHIONS

Choice of fixed upholstered cushions or loose back cushions with a comfortable, firm filling.

UPHOLSTERY WITH DEEP-PADDED BUTTONS

Mare loose back cushion is optionally available in upholstery with deep-padded buttons. The round buttons will be upholstered in the same upholstery as the sofa.

Standard armrest (width: 12 cm)

Wide armrest (width: 21 cm)

The sled base continues in the design.

The Mare loose back cushion extends approx. 2 cm at the front of the seat.

MARE COLLECTION
fixed cushion

Explore the full collection of the Mare fixed cushion.

In addition to various sofa configurations, the program offers additional options to fully personalize the Mare. See all personalization options on page sixteen.

UPHOLSTERY AND COATINGS

Overview

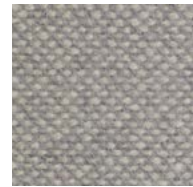

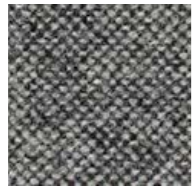

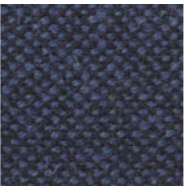

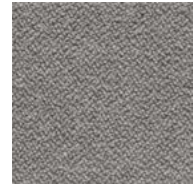

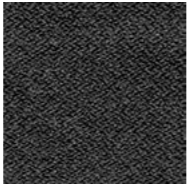

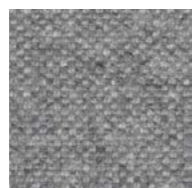

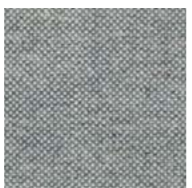

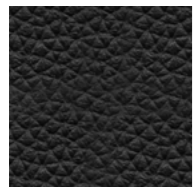

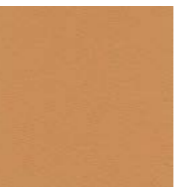

Each Mare is available in over sixty high-quality fabrics and leathers with highly durable properties. Artifort collaborates with the most renowned fabric suppliers. Depending on the chosen upholstery, some degree of creasing may occur

with use. This is unavoidable and adds character to the sofa. Check the colour samples with your Artifort advisor or visit www.artifort.com to explore all the options.

Combine the upholstery with an Artifort powder coat colour for the sled base. All Artifort furniture is produced entirely in-house, using environmentally friendly methods. During the powder coating process, a colour fast coating is applied

to the base. The environmentally conscious powder coating method is more sustainable than traditional steel chroming and gives the sofa a modern look. See all colour samples at your Artifort sales point.
